Instructions:

We would like to welcome you to Pediatric Emergency Department, below are the instructions we would like you to pay attention to:

- No changes in the schedule without communication.
- Attendance is 5 minutes before the beginning of the shift.
- The consultant should sign at the end of the shift in your oncall schedule (right column). This will be used to monitor your attendance.
- **You are not allowed to do consultation over phone** (to protect you from medico-legal liability).
- If you have a sick child, call for help immediately.
- Make sure you do the mini CEX and case based evaluation during your shifts.
- Do not hesitate to contact me, if you have any concerns or difficulties.
- You have to attend the department educational activities whenever there is.

Kind regards,
Dr. Fawaz Alzahrani
